

TERMS OF BIDDING

1. **AMOUNT TO BID.** The amount you bid should be the limit you would bid if you were to attend the sale. This amount will be bid for you competitively as though you were actually in attendance. Indicate an exact amount for the lot you would like. Theriault's cannot accept "buy" orders which do not specify a top limit.

A. **INCREMENTS:** There are circumstances in which you may desire to have your bid "rounded out" to the next higher increment. For example, if the bidding at an auction opened at \$50 and advanced in ten dollar increments and your bid was \$85, the top limit of your bid which we could execute would be \$80. In order to eliminate this situation, you may instruct us to "round out" your bid to the next higher increment. If you wish to so instruct us, please check the appropriate box on reverse side.

B. **ESTIMATES:** The catalogue contains a published list of estimates. However, you may call our office (410) 224-3655, we will discuss with prospective bidders our opinions of probable auction ranges on each lot.

C. **IDENTICAL BIDS:** In the case of identical bids from two absentee bidders, preference is given to the first received. In case of identical bids from absentee bidder and attending bidder, preference is given to the attending bidder. In any case, the auctioneer shall be the final authority regarding the winning bid.

2. **HOW TO BID.** Please use this bidding slip. Be sure to carefully note lot numbers and descriptions. Always quote the date and number of the auction. Indicate the top amount you are willing to bid.

A. **LATE BIDS:** Bids issued less than one week prior to the auction best telephoned to Theriault's office to insure their timely arrival; they then must be verified by letter or telegram. Theriault's Buyer Advisory Service will be pleased to accept your telephone bids at (410) 224-3655 from 9 AM to 5 PM, EST weekdays. Fax service available 24 hours at (410) 224-2515.

B. **"OR" (ALTERNATIVE BIDS):** Occasionally you may wish to place bids on several lots in an auction, although, you want to purchase only one. You wish to acquire either, but not both. You may place bids on alternative dolls simply by placing the word "or" between the lot numbers on your bidding form. These "or" choices must be limited to five lots and will be executed in chronological order according to catalogue number.

3. **RE-EXAMINING THE LOTS.** Theriault's re-examines, prior to sale, each lot which has absentee bids. Should any major discrepancy with the catalogue description be noted, we will proceed in your best interest by contacting you for further instructions, by not executing your bid, or by executing your bid conditionally. Theriault's will not be held responsible for error, failure to notice, or subjective determination as to re-examination of lots.

4. **TERMS OF PAYMENT.**
